**Retail:** Lowes, Ashley Furniture, Dollar Tree, PetSmart, Walgreens, Kohl's, Goodwill, Sam's Club, Target, Walmart, etc.

***Express Employment, Nexstaff, Focus Workforce, and Labor Finders state they are also felon friendly.***

## **Common Opportunities for Felons:**

**Truck drivers:** As a truck driver you would likely be working by yourself most of the time and hence most trucking companies are felon friendly by nature.

**Restaurants Servers:** Many restaurants do not perform background checks on their serving staff and they can be a good place to gain employment.

**Work at startup:** A new company looking to attract people may skip background checks, which presents a good opportunity for you if you have a college degree and are a good fit for the company.

**Plumbing, Home inspector and Handyman:** These may be good options if your state either does not require a license for these roles or does not bar people with a felony on record from choosing these careers.

***For more felon friendly employment opportunities, please go to Indeed.com or ZipRecruiter.com and search for jobs using the term "felon friendly".***
