Potential Employers to Consider that are felon-friendly

Updated on 5/1/25

Retail: Lowes, Ashley Furniture, Dollar Tree, PetSmart, Walgreens, Kohl's, Goodwill, Sam's Club, Target, Walmart, etc.

Food Service: Dairy Queen, Captain D's, Domino's, IHOP, McDonalds, Subway, Buffalo Wing Wings, Wendy's, etc.

Truck drivers: As a truck driver you would likely be working by yourself most of the time and hence most trucking companies are felon friendly by nature.

Plumbing, Home inspector and Handyman: These may be good options if your state either does not require a license for these roles or does not bar people with a felony on record from choosing these careers.

FEDCAP Tennessee helps working-age individuals who are not currently employed in overcoming employment barriers: disabilities or health concerns, substance abuse recovery or history, criminal justice involvement, and vocational challenges. Please contact them by calling (615) 815-4164 or emailing them at contactEAEI@fedcap.org for more information.

Express Employment, Nexstaff, Focus Workforce, and Labor Finders state they are also felon-friendly.

For more felon friendly employment opportunities, please go to Indeed.com or ZipRecruiter.com and search for jobs using the term "felon friendly".
